Homecoming 1982

September 20th through September 25th marked Gordon Tech's Homecoming for 1982. During the week, many events transpired including Pop Corn Day, Soda Day, and a Pep Rally. The favorite event of the week was the dunking booth. Coach Zajac grossed the top dollar in the booth; followed by Mr. Ehardt and Mr. Miller. The parade included many floats representing the different clubs and organizations of our community. Some girl's schools were also represented by floats. Miss Lisa Nowak of Lane Tech High School was crowned Homecoming Queen of 1982. She was escorted by Pat Connolly. The Gordon Tech Rams emerged victorious at the Homecoming Game, beating De LaSalle 21 to 6.

The media anticipated the 1982 Varsity Football Rams to finish 5-4 with little hope of post-season play. It was supposed to be a year of rebuilding.

The preseason started with the Dirty Dozen in May and 7 on 7 in June. Then in August, doubles, the hardest preseason workouts began. This year doubles started on August 18, a week later than last year. These workouts would prepare us for the rugged, competitive Catholic League.

The conclusion of doubles put us one week away from the opening game against Lane Tech. With only a few returning starters and an inexperienced quarterback, the coaches were not sure what to expect. The players were determined to strengthen the faith of the coaches and proved the media wrong. With this attitude and an experienced coaching staff, including head coach, Tom Winiecki, Wide Receiver and Defensive End coach, Bob Carskie, defensive mastermind, Coach John Hoerster, along with offensive line coach, John Urban and defensive back coach, John Gruber, the Rams were ready to start the season.

In the opening game we handed Lane Tech their fourth loss in four tries with a 7-0 victory. After a few more tune-up games (victories over St. Pats, De LaSalle, Leo) we opened the Catholic League North Section against

4-0 Weber.

We lost to Weber 26-7, the low point of our season, but from here on, everything was uphill except for the tough loss to Mount Carmel. This defeat ruined our hopes for a possible state playoff birth. However, with hardened persistence we beat Fenwick, Loyola and Brother Rice.

The Fenwick game was played at Oak Park Stadium. The offense dominated the field soring 14 points and running 32 of the 48 minutes off the clock, while our defense held the Friars scoreless.

Returning home to Lane Stadium we met with catholic-league rival, Loyola. This proved to be one of the year's most exciting games. The first half was a defensive struggle, with the

score at 6-6 as we headed for the locker room. After an inspirational halftime talk we came out fired up for the second half. The game continued as a defensive battle until late into the second half when Loyola put another six points on the board. This left us with less than 2 minutes to tie the score. With the ball on our own 18 yard-line, there seemed to be little hope for victory. However, the confidence and determination the offense marched the ball 82 yards in one minute and thirty seconds tying the game at 12-12. An unsuccessful point after attempt took us into overtime. Losing the coin toss put our offense on the field first. We scored on third and long and then the missed two point conversion gave us only a six point margin. Then the defense marched out onto the field and successfully kept Loyola from scoring in four tries. This victory strengthened us as a team and gave us the incentive to beat Brother Rice and put us into the city playoffs.

Going into the playoffs as the number one cede we confidently faced and defeated DeLaSalle for the second time. This gave us the chance to take revenge against arch-rival Weber. It was a defensive battle to the end with Gordon defeating Weber in double overtime by one point. Revenge was sweet.

Victory over Weber put us in the Prep Bowl for the first time in Gordon Tech history. We faced Public League championship, Julian. The game went as expected, we dominated on offense and defense, shutting the Public League powerhouse down.

The season ended with an unforseen record of 10-2 and a city championship, the 1982 Football Team players and coaches had something to be proud of. It was a season that we will all remember.

The Kickin 'Rams' season started in late August with difficult practice sessions. The practice emphasized overall conditioning, which consisted of grueling twelve minute runs and many quick sprints. A new part of was initiated this year, and consisted of video tapes on areas such as 'how to play defense,' etc. Each player had one of the toughest soccer schedules this year.

This year's team strength was the young, strong defense led by all-stater Robert Craig. Also, scoring punches came from midfielders William Felian, the captain of our team, and Richard Meschback, who is among the top twenty five offensive players in the state. This year's team was eager and ready to face many tough games coming up.

The Rams kicked off to a winning start by beating St. Joseph 2-1. The Rams' next game was against Evanston, who was one of the top ranked in the state. The Rams proved that they can play against a tough, physical team like Evanston by tieing them 0-0.

In the following week, the team was in the Niles West Tourney. The Rams' first game was against a highly experienced Niles West. The Rams struggled because of the let down from the Evanston game, but still managed to beat them 2-1. Then at the next game, the Rams' offense exploded and beat Willowbrook 6-1. For the championship game, Gordon had to play Oak Park, whom they beat two years ago to go down state. Needing only a tie to capture the championship, Rams played a tough, physical game and tied them 1-1. For the third year in a row, the Gordon Rams had come home with the Niles West Trophy.

Then Rams got ready for a match against the No-2 rated team in the state at that time, Hinsdale South. With Robert Craig controlling Hinsdale's explosive offense and Willie Fi-

lian controlling the ball at midfield, the Rams played hard but patiently against Hinsdale South. Then Richard Meschbach scored the only goal of the game, and the Rams captured a dramatic victory.

After beating Nortre Dame easily 5-0, the rams traveled to play Palatine. After falling behind 2-0, the Rams bounced back with two goals, but Palatine showed they could also bounce back by scoring more. Gordon lost 5-4. But Gordon came back from this defeat to win their first Catholic League game against Hales Franciscan by 5-0.

The Rams met another tough foe, Maine East. But they made it look easy as they beat the tough suburban team 3-0. Then Gordon raised their record to 3-0 in the Catholic League by crushing Weber and Fenwick 9-0, 4-0, respectively.

Next Gordon played Main South, 4th ranked team in the state. In a comeback victory 2-1, Gordon played one of the best games of the year. In that victory, Robert Craig's defensive performance sparkled and Rich Meschbach proved that he was as good as any player in the state. He scored one, and setting up a penalty kick which Willie Felian booted in.

In the fourth Catholic League match, the Rams lost to surprisingly strong St. Rita 4-2, and their record

dropped to 3-1 in the Catholic League. However, Gordon showed their character by defeating two of the toughest teams in the league, St. Ignatious and Brother Rice.

Gordon continued their winning tradition by crushing De La Salle 5-0 and St. Lawrence 4-0. Then, it finally came down to the last game against archrival Loyola. They had to win the game against Loyola in order to tie for the league championship. With Robert Craig scoring twice on headballs, Gordon out hustled Loyola and beat them 2-0.

After beating Glenbrook North 4-0, Grodon carried that winning momentum to crush Quigly North mercilessly 14-0 in their first state playoff game. Then came Francis Parker, who eliminated the Rams from the playoff last year. Going for a revenge, Gordon quickly jumped to a 1-0 lead with Willie Felian scoring on a breakaway. But Francis Parker proved that they were tough by scoring one with five minutes remaining in the game. However, this time, it was the Rams' turn to prove their character by scoring with five seconds remaining in double-overtime. With this win Gordon set up a new record of 11 wins and no losses on their home ground.

Gordon went on to play Evanston, who was by this time the second ranked team in the state, for the sectional championship. After allowing a goal, Gordon fought back hard. However Evanston proved that they were also tough on their own home-ground, especially with a one-goal lead. Although Gordon lost 1-0, it was with a dignified loss, for they had given their best. Inspite of this loss, this year's team won its 8th straight Catholic League Championship and third straight Niles West Tournament Championship. All in all, the team can look back on a very rewarding and productive year.

This year was one of the most extraordinary years for cross-country in the history of Gordon. In the words of Coach Schalek, we were "Mighty". We were not to sure of our success at the beginning of the year, since we lost our second best runner and our Head Coach, Mike Martorano.

We started out the season as usual. We ran during the hot summer days, went to Wyalusing, and attended the annual Kedges pool party, One runner excelled us all in his summer training. Captain Pete Uliasz ran yet another 1,000 miles bringing his 3 year toal up to 3,000! Only three other GT runners have achieved this goal.

We started the season a week later than usual. This gave us only a week-and-a-half till our first race. We had a time trial our first day of practice which showed us that we would need more practice. We knew what we had to do though, and we set out to do it.

The next race was proof to us that we could indeed meet our goal. It was a dual meet against Ignatius and we didn't just beat them, we clobbered them. We took 1,2,3,5, and 11. Now we were rolling. We knew that all we

Cross-Country member running hard.

needed now was a 5th man. Coach Schalek celebrated by getting his first victory shower as Head Coach.

We continued our success by beating every major team in the Catholic League at our next two races. Outstanding performances in these races were given by Jim Barsella winning the Gt Invitational, and by Dave Zander- setting a new course record ay Bull Frog Lake against St. Lawrence. Pete Uliasz and Keith LuLick also ran great races at the GT Invitational. Keith placed a close second in the Novice Race and Pete was only two seconds behind him for a close third.

We set our goals on the Catholic League, but nobody took us seriously. At the Oak Park Invitational we proved our seriousness. We placed second, bringing our state rank to 25th. Our 6th place victory at Crete Monee advanced our rank to 12th.

The Olympic Run was our last race before the Catholic League. Jim ran the best race in his career. We had almost won the meet. We knew we were ready for the Catholic League, and possible 2nd in the state.

The Catholic League Championship was most important to us. All our years of running payed off. Gordon was at its peak. The top ten was filled with orange. The fantastic running captured the 1982 Catholic League title.

GT tradition was consistant. The freshman and JV teams also captured Catholic League Titles.

We knew we were on our way to sectionals. Jim Barsella earned an All District Title with his 4th place victory. The team finished 2nd.

Sectionals found the team with 3rd place and a ticket to State.

State was the culmination of our season. We all ran with heart, but didn't place. John Barsella and Tim Curtis had to drop from the race. We took 9th place, but felt bad at seeing Ignatius take 2nd.

The banquet turned out a few surprises. Jim Barsella and Dave Zander were awarded MVP. Team Captain Pete Uliasz received the Coaches' Award.

We would like to thank Fr. Blaski, Coach Winnecki, Fr. Antosz, our moral suport; Mr. Miller, and special thanks to Coach Mortorano, Coach Schalek, and to our parents. With out their support we could not have reached our level of success.

Fall Athletic Banquet 1982

The 1982 Fall Athletic Banquet was a two part celebration of achievements in Football, Soccer, and Cross Country. Part one was held at Gordon Tech on November 27. Soccer and Cross Country Awards were presented to John Barsella, David Zander, and Bob Craig, among others.

On December 11, the Football team held their festivities at the Regency Inn. Father Blaski opened the ceremony with a prayer and congratulations, as he had done at the previous affair. After dinner, coach Winiecki thanked the dedicated supporters who worked behind the scenes to help achieve the goal of City Champions. Awards were presented to Paul Franklin, Robert Nole, and Chuck Staff, to name a few. The program ended with the traditional presentation of the Crosses by Fr. Blaski. It was the ideal conclusion for a championship season.

SERVICE

Art Club

Gordon Tech's Art and Mural Club is open to all students whether or not they are currently enrolled in an art class. Weekly meetings are held in our art room, where students are free to work on a variety of projects including ceramics and silk screening. They are assisted by Ms. Kathy Kozan, our moderator and advanced art students as well. Pizza parties are a favorite, and the aroma of food heating in our kiln can direct you to the art room when our members are gathered.

The art club also sponsors our annual Art Fair, a prestigious event which gives all students an opportunity to exhibit and sell their work.

The many murals around the school are created by our art club members who work on a number of murals and projects throughout the city and suburbs.

Campus Ministry Club

BARGE PROJECT Members of the Campus Ministry Club: Standing John Stachnik, Dan Silva, Tom Schnatterbeck, Fr. Jim Antosz, CR (Moderator), Laszlo Gonc, Paul Villiger, Michael Daugherty Kneeling- Roman Gajda, Rodrigo Torres

The Campus Ministry Club consists of students who are involved in the planning of the school masses as well as any other special prayer services in the school.

They also try to find ways to develop an awareness that the school is a community and tries to provide activities which develop that sense of community. They provide leadership for special activities of service such as the Mississippi Barge Project this past year (A collection of food, clothing and money for the needy in Honduras as well as in Chicago).

Competitive Speech

SPEECH: Sitting- Steve Mun, Andy Ramir, Jim Kim, Ilwoo Kim, Jin Ho, Bill Geraty Standing- John Pahn, Kamal Taylor, Laszlo Gonc, Jaeha Lee, Ron Klick, Mr. Michael Colletti, Sr., Tom Lee Tom Schnatterbeck, Han Kim, George Pappas, Rod Torres, Julio Gonzalez

Probably the least known of all the Gordon Tech teams is the Speech Team. Although most people admit to never having heard of the team, some have gone as far as to deny their existance. Nevertheless, this courageous bunch of youths under the leadership of Michael Colletti, coach of the team, manage weekend after weekend during the year to represent Gordon Tech in regional and national contests and sometimes even get an award.

This year marks a highpoint in the history of the Speech Team as Chicago and Gordon Tech host the National Forensic League Championship. Gordon Tech will be represented by such skilled forensicians as senior Scott Clewis; juniors Bill Hartwig, Kevin Meyer, Jack Stachnik, and Rod Torres; and sophomore Mike Porazinski who have earned this honor through their successes in previous contests. For the people honored enough to qualify for this esteemed contest, it is a thrill of a lifetime. For the students here at Gordon, they couldn't care less. Well maybe now you will at least know what the Speech Team is when you hear about their endeavours in the announcements.

One of the events the Gordon Tech Key Club participates in is the Raquetball Round Robin (R.R.R.). The R.R.R. is sponsored by the North Shore Association for the Retarded. This was the first year that the Forlon Key Club was involved in such a marathon.

Gordon Tech's Key Club teamed up with Ressurrection's at the Edens Court House to make the event successful. Gordon had ten participants who did a great job of collecting pledges. In addition, everybody involved had a great time while playing for a good cause.

CHARACTER, LEADERSHIP, SCHOLARSHIP, SERVICE, and SOCIAL. SOCIAL? Yes, along with the four basic qualities of the National Honor Society members, we have added an extra dimension to the NHS this year. Along with the various service events NHS members participate in, there have been two very successful dances sponsered by the NHS.

This year the NHS lads contributed to the school community like never before. Along with the two dances, NHS members participated in the school open house as tour guides, in two blood drives, in the American Cancer Society Basketball Marathon, and in many other school service events whenever the need arose. Not only do we just participate in these events, but we had the most successful blood drive and Basketball Marathon in Gordon Tech's history with over 300 pints of blood and $1000.00 collected, respectively.

RESULTS: This word sums up the activities of the NHS this year. Not only did we plan events, but we executed them with great success.

It is safe to say that this year's National Honor Society has been one of the greatest in Gordon Tech's history.

This year the **Ram-page** again had a different moderator, Mr. Robert Perrin. During the school year, the school newspaper published thirteen issues, including a special Prep Bowl edition.

The most remarkable changes in the **Ram-page** were in graphics and the features section. A new masthead was designed and the layout of the other pages of paper were streamlined.

The **Ram-page** editors and staff dealt with a number of machinery problems during the year to try and meet the regular deadlines. New typesetting equipment was installed halfway through the second semester, and prospects for next year look great.

Gift Horse

The Writer's Workshop provides a tangible medium for Gordon men to express themselves in a creative and literary manner. This medium, the **Gift Horse,** is a culmination of the efforts of the Creative Writing, Art III and Art IV classes as well as the student body in general. It is a collection of the work of atheletes and aesthetes, prodigies and prodigals.

Varsity Club

Once again in 1982-83, Coach Bob Carskie put together the Varsity Club. The Varsity Club's function is to promote and support the Gordon Tech athletic department. Anyone who has received a major varstiy letter is eligible to be member of the Varsity Club.

In 82-83, the Varsity Club produced and sold programs for almost all football games. They also sold programs at wrestling matches, for the basketball state tournament, and was a big force behind Sports Night.

Activities the Varsity Club participated in were a softball game against the teachers, coaches, and alumni of Gordon Tech. We also held a barbecue at the baseball game against DeLaSalle.

The Varsity Club also gave out its annual Athlete of the year Award and a special Service Award was given to alumni Bob Cole.

The 82-83 officers were President Mike Marinko, vice-president John Valenziano, secretary Kevin Gale, and Sgt.-at-Arms Matt Liszka.

All the thanks in the world should go to moderator Bob Carskie for organizing another successful Varsity Club year.

Annual Open House

The shops are a popular attraction on open house.

Mr. Morrison gives a talk.

Gordon Tech's annual Open House was held on November 4, 1982, at 6:30 p.m. through 9:00 p.m.

Gordon had a measurable turnout of close to 1,500 people that attended the Open House. This group included 7th and 8th grade students and their families.

This year one general presentation was given to the guests and there were a few individual presentations.

After the presentation, groups of fourty or fifty people were split up and given tours guided by members of the National Honors Society, Student Council, Faculty, and Volunteers.

In the safe, clubs and activities were set up in the same form as on Club Day. The guests were invited to ask questions or comments to the clubs they viewed.

Some of the most impressive rooms seen on the tours were the gym, chapel, TV studio, Nautilas Room, and Computer Lab.

Mr. Hoerater, the coordinator of the Open House, stated that there were two concepts that will sell the school. These are the influence of the students and the faculty and the building itself. Both of these concepts will help the observer to see the school.

Cooperative Work Training

The Cooperative Work Program is no stranger to Gordon Tech. It has been around in one form or another since the late 1960's when Mr. Clarence Telkes helped our young men to gain meaningful experience in the industrial trades.

Since that time the program has seen significant growth in size as well as organization. A student participating in the program gains two credits toward his graduation.

The Cooperative Work Training Program has a two-fold purpose. The first is fairly obvious to give each student the opportunity to gain meaningful work experience in his choosen career area. In addition, he has the opportunity to learn what it means to become a responsible, reliable, and productive member of the company team.

The second objective has many facets including locating job openings, preparing a resume, completing job applications, and preparing for the all important job interview. This is accomplished during the school day when the students meet in class. Each student goes through a process of developing a self-awareness about himself. They learn to analyze their values, interests, goals, and abilities. They gain an understanding of the importance of good written and oral communication skills.

Lastly, a significant amount of time is spent on the importance of good Human Relations. Materials covered in this section include co-worker and management relationships. Students are taught how valuable good listening and understanding skills can be to a happy and successful working life.

Senior Retreat

Senior year is a time of tension and anxiety due to the questions which lie in the future. The retreat program is intended to allow the student to experience a time away from pressures of the fast-paced world in which they live. The retreat center, located in Woodstock, IL, is surrounded by acres of beautiful, peaceful land. The experience allows the student to learn new facets about his peers, and more importantly what is within himself.

Mr. Galluzzo and staff enjoy the action.

Vocation Week

Each semester, Gordon Tech provides an extensive Vocation Awareness Program to arouse in the students a greater awareness of the various vocations in the the Church. The students see the ministry and lifestyles of priests, deacons, religious and lay vocations. This program also helps to identify and encourage students with an interest in religious life, priesthood, diaconate and lay ministry.

Twice a year a Vocation Awareness week is held under the direction of the school vocation director, Fr. Jim Antosz, CR and the vocation director for the Resurrectionists, Fr. Gene Majewski, CR.

During this week religion classes are visited by guests speakers. Individual teachers also conduct classes on vocations before or after the guest speaker.

The week or two after the Vocation Awareness Program is devoted to individual follow-up of students who filled out interest forms during the class presentations. Fr. Gene Majewski as well as members of the Pastroal Counseling Team interview the young men who expressed interest, provide them with reading material and possible trips to a seminary or vocation retreat.

Nate Beard drives for "two".

Nobody quite expected the Gordon Tech Rams to accomplish all that they did during the 1982-83 season. With eleven seniors gone from the year before, one might have thought that this would be a transition year. But, it didn't happen that way, as the Rams were rated number five in a preseason Sun-Times poll. This gave the Rams the early incentive to go out and prove they were the best. They did just that, as their excellent play on the court snowballed throughout the season to a record of 23-5.

For head coach Bob Ociepka, it was his finest team in the four years that he has led the Rams. Coach "O", along with his assistants, Steve Pappas and Karl Costello, assembled a team that had character, determiniation, and stamina, as well as talents and skills beyond those of any other school in the Chicago area. Using these intangibiles, the Rams were able

Glen Noesen scans the defense.

Basketball

GT:'82-'83

to play a smothering defense that kept them in every game. Coach "O" instilled in his players a sense of dedication, a "never quit" attitude. You could never say that this team didn't have heart. This was no more evident than in the examples set by co-captains Glen Noesen and Nate Beard.

Game after game, Glen and Nate exemplified the meaning of true grit, and they certainly were the offensive and defensive leaders in just about every game. They displayed leadership on and off the court, and were the keystones of the team. Other seniors also contributed their fair share. LaRoy Mack made a marked improvement over one year providing a strong inside game for the Rams, as well as a certain flamboyance that every basketball team needs to have. You could always count on Tom Meitzler, the spark that lit a fire when he came off the bench. Titus Redmond, the ever present instructionalist and floor leader in practice.

The key players that the Rams will be counting on in 1983-84 made important contributions to this year's team. Guards Dean Scimeca and Mike Kuehn started a handful of games and proved themselves. They both came on strong late in the season, making Coach Ociepka feel very good about guard combination in '83-'84.

"Is this how you do it coach?"

Frierson provided muscle, rebounding, and scoring punch under the basket. They will be key performers as seniors.

Damian Walch and Tom White did not see too much playing time during the season, but nevertheless, have shown promise and will give Coach Ociepka something to think about when the new season rolls around.

And last but not least, the player everybody is expecting big things from the Gangler, Mike Rombout. He can play guard or forward, and with two years left in his high school career, many people are expecting nothing but blue-chip status from him in the future. But, let's stall the future for a moment, and reflect upon an outstanding season, where the Rams won 23 of 28 games, and provided the fans

Glen Noesen with an easy break and two points.

Basketball

with many thrills.

They played the first home game of the season against Manley. The motivation was to prove that the team was worthy of #5 pre-season ranking. They pasted 80-63 over Manley to prove without a doubt that his team was going to be great. Next there was the LaGrange Thanksgiving Tournament. It was here that the Rams proved themselves to be a defensive powerhouse. The Rams allowed only 18 points in the second half as they beat Thornwood 71-57. After an easy victory over Morton West, they met Lyons for the title. Lyons took it to the Rams for three quarters until Tom Meitzler came off the bench to spark a comeback. The Ram defense was intense, allowing only 2 points in the last seven minutes of the game. This intensity to win gave GT a 53-49 victory and the LaGrange title.

The Rams were undefeated and on a high going into their first Catholic League game against St. Rita. This would not be an easy game. The Rams were unable to contain Kenton Terrell and Shawn Balark. After the first quarter, it was Rita's game as they took control and won 70-59. The Rams came home to meet St. Pat's, and did a better job defending Len Bertoline. GT 69, St. Pat's 62.

The Rams had to come up with a good performance against Mendel. GT had lost to the Banks-Hampton Mendel team the year before by 18 points. It was different story here though, as Mendel shot poorly from the field, and Gordon won 64-56.

The Rams were without Coach "O" when they travelled to Leo to meet the Lions. We were not prepared to play a tough game. It showed, as All-Catholic League guard Mike Hampton led Leo to a 16 point lead in the first quarter. The Rams never fully recovered and lost 64-62. It was an important lesson in the growth of our team.

Just before Christmas, as a tune-up for the York Tournament, the Rams held session at the "House." The Rams played sloppy, but nevertheless won the game, 82-79. At York, we plowed through Lane Tech and Palatine to set up a semi-final game with Hinsdale Central. Led by All-area forward Van Yuetter, Central gave us a good test. But the Rams pulled away

A Quick-Witted Player

at the end with 57-52 victory. We then faced Addison Trail for the York title. It was a close game throughout, but the Rams came through with a clutch steal in the final minute to win the game 52-49.

Following a week long rest, the Rams travelled to Loyola Academy to face the Ramblers. George came into his own in the game, scoring 29 points. Gordon won 62-56. George became a dominating force with each subsequent game. It was back home for the next two games, beating Brother Rice 62-54, and then beating Fenwick 66-48. The Rams remained unbeaten at home, and went into Red Horde territory with an eight game winning streak.

They were jammed to the rafters at Weber's gym. LaRoy Mack played the game of his life against his former school, scoring 27 points. The Rams had the lead throughout, and led by 9 points with 6 minutes to play. But, this time, Weber was not to be denied. They won in overtime 72-67, something that hadn't happened in five years.

The Rams showed no ill effects from that loss, as they came up their best overall performance of the season in a 71-56 win over Mt. Carmel. It was with this game that guard Glen Noesen began to put together a string of unbelievable performances that established him as the obvious team leader. In consecutive wins over St. Ignatius, St. Benedict, St. Laurence, and Hales, Noesen accumulated 55 assists, including a school record 16 in the Hales game. He would later lead the Rams to a Catholic League title.

Meanwhile, the Rams were faced with a must win situation at St. Francis. They were pushed to the breaking point by deSales, but didn't crack, winning 74-70. Gordon, again, had come through in the clutch. And, at this point, without anyone realizing

it, the Rams had won 14 of their last 15 games.

Next, it was on to the Horizon for a match with St. Joseph. The Rams did not play with the usual intenstiy, and lost 59-48. The most important game of the season would be the regular season finale with DeLaSalle, the game for the Catholic League championship.

The team may have been overconfident at the start. Unfortunately, they did not come down and play until halftime when they were trailing by 11. However, led by the stellar play of the captains, Glen Noesen and Nate Beard, the Rams rallied and produced a stunning comeback to win 74-67. This game epitomized the character, poise, and stamina that the Rams had displayed all season. They were the Catholic League tri-Champions.

The state tournament followed at the Fention regional, where we took Fenton, 80-58.

Next, it was on to the rematch with Addison Trail, for the Fenton title. Addison was out for revenge, but failed to attain it, losing to our mighty Rams 59-41.

The Road to Champaign continued through York and a rematch with DeLaSalle. This time the Rams weren't so fortunate against a team that was out to get them. We played tremendous defense as the game was close all the way. But, our offense never came alive. That's what beat us. We couldn't get anything going. Eventually, it was an off-balance lean-in jumper that beat us. The final score was 53-49. It was a long, unhappy trip back home. It came down hard on us, the season was now over.

But this 82-83 edition of the Rams has nothing to be ashamed of. Although we didn't reach our goal of going downstate, this team provided its followers with some of the best basketball performances, individually, and teamwise, that we have seen in many a year. These players can hold their heads high. They know inside they are #1.

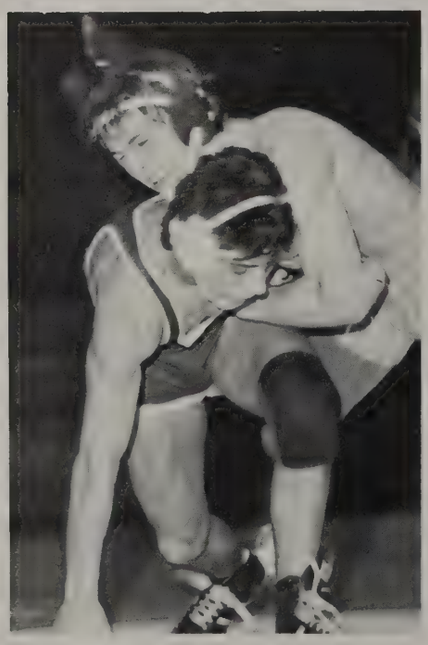
Chicago Catholic League
Tournament



No one escapes most valuable wrestler Mike Calkins.

"Positive Mental Attitude" was the theme for the 1982-1983 Wrestling Team.

The Rams started their wrestling season with mat work and weight lifting early in the spring of 1982.

Returning back was Head Coach Dennis McCann and Freshman Head Coach Bill Wynn. Two new rookie coaches were also introduced- Mark Rebora and Craig Fallico. These two coached proved to be everything but inexperienced.

The pre- season saw plenty of hard work, since the team had only four major letter winners returning, there were many openings in the Varsity lineup.

During these pre-season workouts, Rocky Gawenda and Leander Portkalis were named captains of the team for their hard work during these pre-season workouts.

The Gordon Tech Wrestling Team completed their season with a 10-9 Dual Meet Record, and a 3rd place finish in the Chicago Catholic League.

126 lb. Mike Calkins (32-10) led the way for the Ram Grapplers this season. Calkins captured championships in the Catholic League, Carmel Tourney, Regional Tourney, and was a Sectional Finalist, qualifying for the State Championships at the University of Illinois. Junior Tony Slaughter (21-7) provided the muscle at 155 lbs., winning the title at Carmel and also a

Regional Championship. Sophomore Bill Schnoeblen (21-15) was an Ironman at 98 lbs. He never missed a meet and placed in all 5 Varsity Tournaments. Co-Captains, 145 lb. Lee Portokalis and 119 lb. Rocky Gawenda (a 3 year starter), wrestled rugged all season, and 138 lb. Augie Devivo compted with a special brand of toughness and courage.

The future looks bright for Ram Wrestling. The Sophomore/J.V. Squad posted a 12-5 (9-2 in Sophomore duals) and won with that "Positive Mental Attitude." Freshman team was 11-5, including 3 tournament trophies and numerous Individual Tournament Championships.

In the home opener of the dual meet season, the Rams proved that they were still the Addison Street Champions winning a decisive victory over Lane Tech (36-21), with a fine effort put out by Rich Kato (50 second pin).

The next weekend the Rams gained their first conference win over Loyola (44-24) with pins coming from co-captains Lee Portkalis and Rocky Gawenda. The next day, the Rams split a dual meet losing to a tough Buffalo Grove team (18-34), but bounced back to beat Lake Park (41-14), with excellent mat work by John Lee.

The Rams next match was against DeLaSalle, in which they rolled to an easy victory (57-12). However, the next day had a battle in store for the Rams as they went up against 20th ranked Fenger and Conant, a team that placed 2nd in the state this year. The inexperienced Rams proved that they could stick with the best, losing a hard fought effort to Conant (14-38), with a win by Scott Baldwin, and beating Fenger (37-20), with a decisive win by Lee Portkalis over a state-ranked wrestler.

The following week saw the Grapplers losing to 6th ranked and conference champs, St. Lawrence (6-47). Yet, a fine effort was put out by winners Mike Calkins and Lee Portkalis.

The Rams contested to a strong St. Patrick team but lost (24- 29), with many outstanding efforts recorded by Rich Kato, Tony Cortese, Augie DeVivo, and Rocky Gawenda.

The Rams continued their winning ways when they overpowered Mendel (34-16) and Fenwick (38-10), led by winners Reuben Ybarra and Tony Leyden. The next day, Gordon split a pair, losing to Maine West (15-33), but defeating Maine South (33-15) with a fine effort by the upper weights. Two individuals, Mike Calkins, with double victories, and Billy Schoebelen, with a tough pin, led the way.

Gordon went on to face Conference team Brother Rice, beating the Crusaders (43-17) with a total team effort, led by Tony Cortese's 1st period pin. The Rams were not so lucky against 2nd in Conference Mt. Carmel (12-39), with a victory by Rocky Gawenda.

The Rams seemed to be in a valley at this point of the season, losing to Hoffman Estates (10-48) and Crown (16-39). The next weekend, the Rams wrestled conference team DeSales, trouncing them (45-12). Great efforts that led the team were made by Scott Baldwin, Augie DeVivo, Rich Kato, and John Plantz at the last home dual meet. The Rams traveled to River Grove, where they lost their last dual meet of the season to Holy Cross, with a big win by Tony Slaughter. This ended the season with a 10-9 record.

At the Conference Tournament, the Rams placed 3rd and had six medal winners (1st place-Mike Calkins) (3rd place-Billy Schnoeblin, Scott Baldwin, Augie DeVivo, Tony Cortese, and Tony Slaughter.

A tough Fenton Regional started three Ram wrestlers on their quest to Champaign with Billy Schnoebelin, (2nd place- Regionals, Sectional Qualifier), Tony Slaughter, (1st place-Districts, Sectional Qualifier), and Mike Calkins, (1st place- Districts, 2nd 2nd place- Sectionals, and State Qualifier).

The 1982-83 Wrestling Rams was characterized by pride, intensity, and courage. The great individual efforts throughout the year kept the Ram Tough tradition that Gordon Tech Wrestling is famous for.

FENCING (VARSITY) Kneeling- James DeLisle, Joseph McNulty, Robert Sawicki, John Dodge, Abundio Aleman. Standing-Coach Peter Morrison, Marc MacQuarrie (Team Captain), Louis Coddington, Chris Boyle, John Portnov, Francisco Scaramuzza, Michael Brooks.

The Gordon Tech. 1983 Fencing Team started this years conditioning logging some miles running at Horner Park. There was one difference this year, that was, the beginners outnumbered the veterans two to one. The runners, veteran and beginner alike, were pushed on by Captain Marc MacQuarrie, Secretary John Dodge, Treasurer Francisco Scaramuzza, and Coach Peter Morrison.

After one month of running 2-3 miles per day, the veterans moved inside for intramurals, and the beginners learned the Basic Hand and Foot Moves.

Although the team graduated 70% of it's varsity line-up last year, the team still looked unstopable with Marc MacQuarrie-#1 Foil, Francisco Scaramuzza #2 Foil, and Joe McNulty and James DeLisle competing for the #3 Foil spot. The Epee Team consisted of Zeyad Suqi as #1, Louis Coddington as #2, Thomas Traub as #3, and Beginner Tony Barros as the alternate. A third weapon, Sabre, was also fencing this year with Joe McNulty-1st, Francisco Scaramuzza-2nd, and Mike Brooks-3rd.

As the Team entered the dual meet season, it proved to be a formidable foe. The Gordon Tech. team came out with a 7 win, 3 loss record.

Several weeks later, the foil and Epee Teams proceeded to the state championships and took a strong 1st place to the surprise of everyone.

The team didn't fare so well at the Midwest High School Championships, and they took 5th place overall. Individual fencers Joe McNulty, and Louis Coddington, however, took trophies for 5th place Sabre and 5th place Epee respectively.

Shortly after the Midwest H.S. Championships, fencers James DeLisle, Joe McNulty, Mike Brooks, Tom Traub, and Scott Fischer, along with coach Peter Morrison, flew to Tampa Florida to take part in the Junior Olympics. None of the Gordon Tech fencers took a trophy, but it did give them a chance to improve their fencing.

This year only 4 varsity fencers will graduate. Next year the team is looking forward to doing well and coming out #1 all around. Until then, Touché.

Winter Athletic Banquet *1983*

Gordon Tech High School, under the direction of its Principal, Rev. Henry J. Blaski, C.R., and its athletic director, Mr. Tom Winiecki, recently held their winter sports banquet. This event honors all the boys who participated in the 1982-83 Basketball & Wrestling Programs at Gordon Tech.

All Catholic League guard, Glen Noesen, was chosen the team's most valuable player. Seniors Nate Beard and LaRoy Mack were recipients of the Coaches Awards. They provided the extra leadership and effort that aided the 1982-83 Gordon Tech Basketball team to a great season.

At the Sports Award Banquet, Mike Calkins was presented with the Most Valuable Player trophy for the 1982-83 wrestling season. Along with his Catholic League Championship, Mike won titles at the Camel Tournament and the I.H.S.A. Regional Tournament. He was a Sectional Finalist and Mike qualified for the State Wrestling Championships. Senior 138 lb. Augio De Vivo was honored as the recipient of the Coaches Award. Augio exemplified the intense spirit & effort that made this years wrestling team a success.

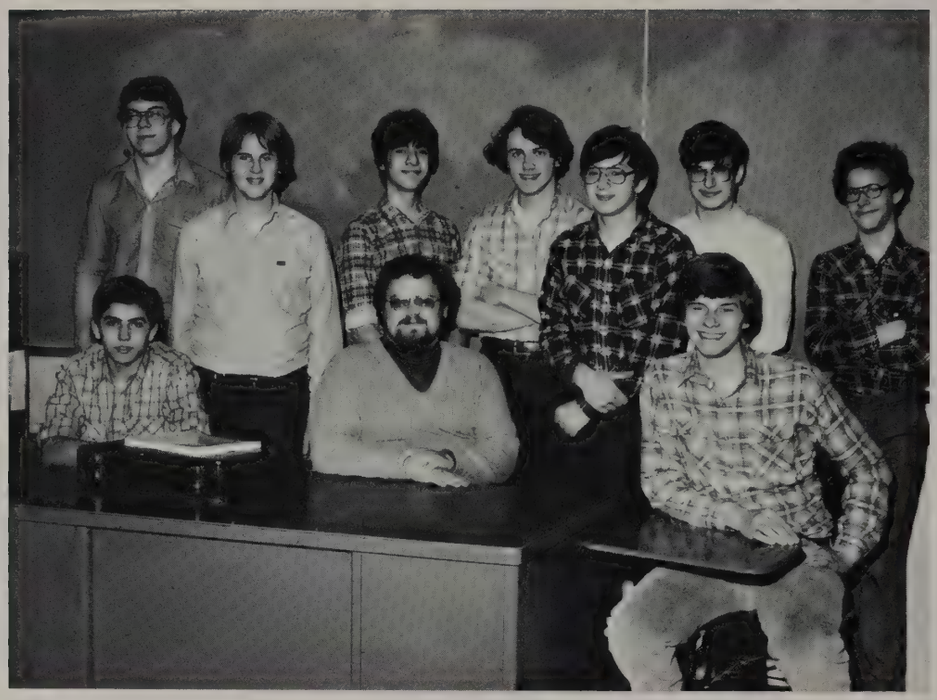
Adventurers Club



ADVENTURERS CLUB Seated- George Rodriguez, Mr. Randall Palmer (Moderator), James Melnychuk (President) Standing- Richard Toth (Secretary), Joe Annis, Francisco Scaramuzza (Vice-president), Bernard Mania, Edward Hartman, Juan Gomez, Jozef Pabish

The Adventurers Club allows interested students to experience role-playing games. During the weekly meetings, members learn how the game system works, also fundamental rules that make playing successful and easy. The club is an outlet for daily frustration and hysteria. All members seem to find it enjoyable and worth their effort to be involved in playing.

Bicycle Club

BIKE CLUB 1ST. Row- Ted Thomas, Chris Scheffield, Mark Yedinak (President), Bob Beltran, Erwin Padawang, Mike Ophelan, Tom Schnatterbeck (vice-president) 2nd. On April 30, 1983, the tenth Resurrectionist Awards Presentation took place. Beginning at 6:00 p.m. in the evening, a liturgy started off the event. The Rev. Ken Bratko, C.R. preached an inspiring homily to the priests and their guests.

After the liturgy, the 7:00 cocktail hour began, giving the Resurrectionists and their friends a chance to converse. The evening continued with the Invocation led by the Rev. Thaddeus Napiorkowski, C.R.; dinner, and a presentation given by the Rev. Francis Rog, C.R., who spoke about what the Congregation of the Resurrection is all about.

The menu for the evening consisted of a three course meal with fresh fruits, a seafood plate, a combination salad, tenderloin in wine sauce, buttered dumplings, escalloped apples, rolls, bread and butter, and for dessert: nectarine parfaits and cookies.

Following the meal the speaker, Rev. H. Blaski, C.R. brought the presentation of awards to its start. The awards are presented to the people "for the unique and boundless energies dedicated to the service of advancing the ideals and the goals of Gordon Technical High School." The Resurrectionist Awards for 1983 were presented to the following people: Jerry Bruchauser, Max Cukierski, Bob DeSmet, Joe Feret, Debbie and Hitch Krajacic, Casey Leszkowicz, Kathy Pisarek, Len Platek, Ann and Mel Van Skike, and Tom Winiecki.

Junior Ring Ceremony

On March 24, 1983, as a ceremony in the gymnasium, the Junior class received their class rings. After the opening prayer and the readings that followed, Father Henry Blaski addressed the Juniors concerning the rings and stressed the love they should have for their parents.

After the Blessing, the rings were distributed to the parents who, in turn, presented their sons with them. The ceremony was concluded with a reception in the cafeteria.

The following evening the Aqua Bella Banquete Hall accomodated about 250 people who attended the Junior Ring Dance.

The music assortment was supplied by Sights and Sounds as selected by the Junior Class Committee. The song "Open Arms" by Journey was chosen to be the ring dance theme.

Junior Ring Ceremony

A few weeks before the dance, a few members of the Student Council, Mr. Neihengen and Mrs. Fabianski undertook the very difficult process of selecting five finalists for the Ring Dance Queen and her court. A total of 12 girls entered the competition. The highlight of the evening was the traditional crowning of the Junior Ring Dance Queen and her court. This year's crown was presented to Gayle Riemer from Steoenson High School. She was escorted by John Lenart.

A garder dance was also included in the dance's agenda.

The evening ended at 10:00 p.m., but, many of the couples continued their evening with dinner of various restaurants.

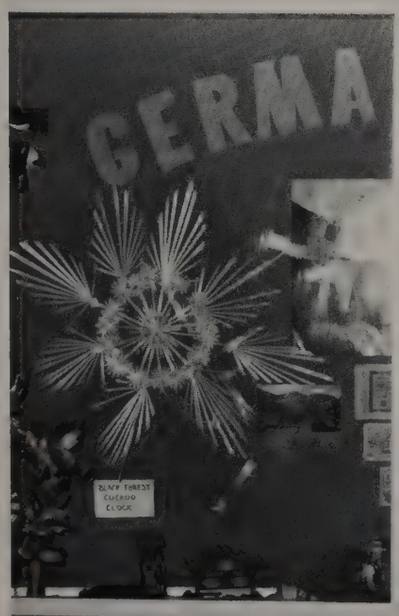
FOREIGN LANGUAGE AND CULTURE CLUBS



German Club

The German Club has had a very active year of events. Starting out with taking second place for their homecoming float last October, they also assisted the Mother's Club with the Pretzel sale during the popular Oktoberfest. The annual German Day was another occasion where club members were involved decorating the library case with items from the "vaterland". A representative from the Goethe Institute was invited to give a presentation taking a tour down the Rhine and the castles of Bavaria, while Mrs. Harasz offered German food featuring bratwurst, thuringer, potato soup, and always popular German pretzels in the cafeteria.

November started out with a bowling party with Good Counsel's German Club and a field trip to the Copernicus Center to see the Stratton Mountain Boys present Austrian and Bavarian dance and music. The program concluded with sounds of the Alpine horns and the Austrian musical saws. A very pleasant Christmas dinner with the club members from Good Counsel High School also led to the planning of the always popular ski trip in January. The GT and Good Council German Clubs traveled to Alpine Valley's Ski Resort in Wisconsin to enjoy a day on the slopes. A new adventure this year was, along with some other clubs from Gordon, accepting the invitation of the Mother's Club to present a few Christmas carols in their original language which was, of course, German.

This years Polish Club has been one of the most successful in Gordon's history of the club. After four years of rebuilding the club, this year's seniors as well as the rest of the club, have built the club to a respectable status. This year, the Polish Club threw its first dance, the Winter Dance, which was very successful. The seniors hope that next year's members can uphold the club's tradition.

Korean Club

The purpose of Korean Club is to enhance the knowledge of Korean culture among members and to have fun. Among many of the activities we have throughout the year, one of the most important activity would be "The Parent's Conference Night" held in the school library where the members and the parents along with guest speakers share the problems facing them and possible solutions to them. Other activities include participating in our annual basketball and softball tournaments held by KHSAC, participating in Ethnic Day for Koreans in the library, and various other activities to encourage the brotherhood among the members.

Following the tragic death of Coach Mike McKillip, the Rams entered the '82-'83 season facing another adjustment. For some players, it was their fourth coach in as many years. Coach Bob Miller brought the returning players together in August for the purpose of preparing them for changes to come.

Tryouts were held in September under the scrutiny of the entire coaching staff. Coaches Russo, Scalise, Peraino, and Miller observed the returning Varsity, aspiring sophomores, and hopeful junior and senior candidates. The month of September was used to see which players would fit the mold in the season.

The hitting Rams got off to a quick start under Coach Miller and assistant Jim Fabianski. The first team they put down was Clemente, 2-1. Next Steinmetz came to Gordon and made it close, but Gordon prevailed, 8-7. The Rams then traveled to Evanston for a tournament and defeated Notre Dame 3-2. Later that day, the Rams lost their first game to Evanston, 2-3. The game went five innings before it was called because of rain. The Rams record fell to .500 due to two losses to Montini at home. Roosevelt was the next opponent for Gordon, but Gordon lost 3-2. Tom Pinsky pitched a good game against Notre Dame but Gordon still lost 3-2. Gordon then traveled to Hinsdale South, the defendind state champions. Gordon made it a close game with Tom Pinsky pitching another fine game.

Gordon Tech took their 4-5 record into the Catholic League. They went off to a four game winning streak. They first defeated Loyola 5-4. Next, in a non- league game, St. Pats defeated the Rams 10-9. Prosser then ripped by the Ram's hitting, 15-5, moving their record to 8-5. Gordon then defeated Hales. Next came Leo who lost 8-5 to Gordon. After this, they suffered their sixth defeat of the year to St. Joseph, 11-4. Gordon then had their hands full with arch rival, Weber. The final decision came after two games. The first game went eight innings with pitching from Tom Pinsky and Tom Meitzler. A big eight run inning led by hitting from Bob Irzyk, Glen Noesen with two RBIs, and Jim Spano also with two RBIs. In the game, Roberto Caceras had a bases loaded triple. It ended at 10-10. A new game was played the next day with Gordon Tech losing 6-1. Gordon defeated Ridgewood 6-4. Senior Pablito DeVera had a three run home run to lead the hitiing Rams. The next three games were tough defeats that took Gordon Tech right out of contention for the Catholic League title. St. Lawrence edged the Rams 2-1 in a pitchers' dual and St. Rita also edged the Rams 3-2. A loss to Fenwick was the toughest loos of all. Through six innings the game was scoreless, but Gordon lost 1-0 on a seventh inning home run. Brother Rice then put down the Rams 4-2, even though Tom Meitzler pitched a good game. The next game against DeSabre ended with Gordon Tech losing a slug fest, 9-8. Good hitting by Bob Irzyk, Gary Hoffman, and Roberto Caceras helped the Rams in their defeat. The Rams won a game against St. Ignatius, 6-3. Ed Toledo and Jim Spano led the Rams in hitting. The hitting Rams finished the Catholic League with two losses to Mendel and DeLaSalle. They finished the league with a 5-8 record.

Before the Illinois State Playoffs began, Gordon Tech played Taft and Marist in a tune up games to get them ready for the upcoming playoffs. Gordon Tech started their first playoff game against Weber. Weber defeated them 2-0 to end the 1982-1983 season. The Gordon Tech Rams ended the total baseball season at a 15-16 record.

KNEELING: Jake To, Arnel Cordero, Suhattai Gamnerdsiri, John Rubrich. STANDING: Fr. John Nowak (Assistant Coach), Bill Pfeiffer, Pat O'Connell, Johh Pfeiffer, Fred Galluzzo (Head Coach).

After completing the 1982 Gordon Tech Season with a Catholic League first place championship, Coach Galluzzo knew if the team was to defend their title, they would have to dedicate themselves full time and give it all they had. Early in March, Coach Fred Galluzzo had the Varsity Tennis Team working in the weight room, skipping rope, and sprinting in and around the gym, in order to attain the teams best physical condition for the upcoming concentrated season.

Returning this year to the Gordon Tech Varsity Tennis Team were two optomistic sophomores. At first singles was the 1982 Catholic League singles finalist, Bill Pfeiffer. At the number two position was Pat O'Connell, last years Catholic League doubles champion. Starting this year at third singles was Stevie Porter, and at first doubles was John Rubrich and Suhattai Gamnerdsiri. In addition, varsity players Jake To, Arnel Cordero, John Pfeiffer, Jose Abanero, and Ronnie Villanueva were looked on to contribute their talent. Along with the calisthenics, the Rams began working on their games at McFetridge Sports Center and when weather permitted, the GT home courts, Horner Park. Drills on backhands, forehands, serves, and volleys along with video tape analysis helped the players correct their mistakes and prepare them for the season.

The first three matches of the season were played against highly competitive Thornridge, Oak Park-River Forest, and Niles West High Schools. Although the Rams lost all three of their matches, they still remained optomistic and aggressive tennis was shown by every member on the team.

The next two matches were against two other suburban teams. Glenbard South was a relatively easy match as the Rams closed out a 4-1 victory. The next match was another fairly easy win for the Rams. The Rams defeated Holy Cross with a 3-2 victory. The next two matches were definitely the most valuable of the season. The first was against Addison Trail High School. The Rams lost a close 1-4 with impressive efforts by John Rubrich, Suhattai Gamerdsiri, and Bill Pfeiffer. In this match the Rams gained valuable knowledge in on-the-court conduct, strategy, and most importantly, in self determination. Maine East was next up for the Rams. Even though the Rams lost a close 3-2, Coach Galluzzo pointed out certain mistakes, strategies, and tactics that could have prevented a loss.

After two weather-related cancellations, the Rams were finally up against their district rival, Evanston. Evanston defeated the Rams with a close 3-2 victory, however, Bill Pfeiffer and Pat O'Connell both played their best tennis of the season and defeated each of their singles opponents in three set victories. John Rubrich and Suhattai Gamnerdsiri also played well and Stevie Porter hung in there until the very end.

The next match, Gordon vs. St. Rita, was the first of the Catholic League season. Gordon defeated St. Rita with an easy 4-1 victory. However, the Gordon Tech Rams were outmatched as they faced their Catholic League rival St. Ignatius in their next match. Gordon lost a close 3-2, with impressive victories by John Rubrich, and Suhattai Gamnerdsiri. The following weekend the Rams played in the Willowbrook Quad, a tournament which consisted of four teams — Willowbrook, Wheaton-Warrenville, Holy Cross and Gordon. Wins by Jake To, Jose Abanero, and Stevie Porter helped the Rams finish in second place. Next up for the Rams was Loyola. Gordon lost to the Loyola Ramblers, however, the

team ramained optomistic and played aggressively throughout their matches. he next match, Gordon vs. Fenwick, was indeed the toughest match for the Rams this season. Fenwick, a team which displayed a great deal of talent, was just too tough for the Rams. However, our 0-5 loss helped us realize the tough competition and how hard we would have to work to put ourselves back on the top for next season.

Over the next two weeks, Gordon defeated St. Laurence, Brother Rice, Weber, De La Salle, and Notre Dame, and lost only one match to Marist. Now it was time for the Catholic League Tournament: the tournament everyone was waiting for. To insure winning, Coach Galluzzo arranged the strongest players in key positions. Because of the fierce competition, the Rams did not do as good as they should have and ended up with only 5 points, placing them fourth out of ten teams. After the Catholic League Tournament, the Rams were now ready for the State Qualifying Tournament played at Niles West High School. Again the competition was tough and the Rams finished in fourth place. However, doubles team Bill Pfeiffer and Pat O'Connell lost in the semi-finals and showed that the Rams will indeed be around next year.

This years Gordon Tech Varsity Tennis Team was one of young, inexperienced players who remained optomistic even when things looked their worst. The memories of this years team will certainly be embedded in the minds of the players, and our coaches, Mr. Fred Galluzzo and Rev. John Nowak, C.R., To whom we will always be grateful.

At the beginning of the season we had very high hopes for success. We trained very hard in the halls. As the indoor season continued each person progressed forward. It all came down to the Catholic League Indoor Championship; here we took 3rd place with 67 points. Among the champions was Jim Barsella in the 2 mile run, he set a new league record of 9:35. The 2 mile relay of Zander, Barsella, Lulik and Mier set a league record of 8:14. The pole vault relay of Franklin, Zander and Karmolinski were champions. The shot-put relay of Juhas, Fiala and Jakscht combined for a total of 144'6". The Frosh-Soph 4x160 m relay of Davis, DeRosa, Dennis and Santiago also won. A good performance turned in by all.

We had a couple of weeks to practice before the Outdoor Season began we practiced hard but when the day came to face Marist we were hit by cold weather and we didn't perform as strong as we should have. The next few weeks we were plagued by freezing rain and two meets had to be called off because of it. As the season progressed we became better and better. We did well at Kaneland, Ran-Frior and at Niles West. At Brother Rice Chris Juhas threw the shot-put for a new school record of 56'4". Dave Zander won the pole vault with the height of 12'6".

The next day was the Frosh-Soph Catholic League Meet. 2 leaue and 2 school records were made as we took first place. The first time ever Gordon Tech has won the Catholic League Championship title. Among the champions were Tony Davis who set a new school record in 100 m high hurdles by running the time of 15.86. He also set a Catholic League record in the 300m high hurdles. Jim Jakscht threw the discus 137'11" for a new Catholic League record. Brent Yates won the shot put with a throw of 45'11". Mike Shaw leaped 5'8" to win the high jump. Jim Ochoa won the mile run and also ran the first leg in the 2 mile relay of Reece, Martorano and Roiz who won with the time of 8:44.2.

Spring Athletic Banquet 1983

The Spring Athletic banquet was held on the evening of June 3rd. The Master of Ceremony for the banquet was Mr. Zalasko.

The atmosphere of the evening was that of warmth of our fellow athletes being able to share of their talent with the school community. The high point of the evening came when Mr. Galluzzo went up to talk about the tennis team and of their accomplishments throughout the fierce year of competition. As he walked to the microphone, he left it where it had been for Mr. Zalasko and did not attempt to raise it at all. He then stated that you stop growing when you reach perfection, and that it just takes other people longer to reach that goal.

Glen Noesen received the MVP Award for baseball and Tom Pinski was given the Coaches Award.

After the awards were given to the deserving athletes, the respective teams went into separate rooms to receive their individual awards.

Graduation Ceremony

Thirtieth Commencement June 4, 1983

The Commencement Exercises took place on June 4, 1983 at the Arie Crown Theatre. Michael Rock gave the valedictory speech, then Father Blaski said a few words. The Commencement speaker was Rev. Francis Rog, whose speech dealt with the need for love and hard work that pays high interest in your future.

After the address, the graduates received their diplomas and Alumni pins from Fr. Blaski and Coach Winiecki. After the diploma distribution, awards were given for perfect attendance, high academic standing, and for proficiency various areas. Lastly, the three new members to the Gordon Tech Hall of Fame were inducted.

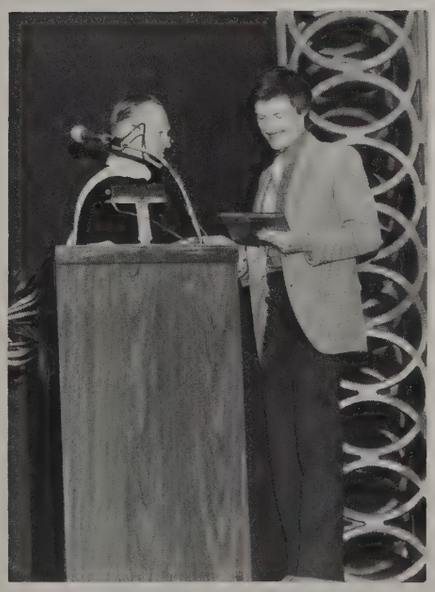
Induction To The Gordon Tech Hall Of Fame

This year Gordon Tech inducted three new members into the Hall of Fame. The three highly deserving individuals were: Thomas Joseph Downar, Vincent F. Follert, Jr., and Joseph Guerrero, Sr. All were chosen after careful scrutiny by their colleagues.

The members were chosen because of their success at making their dreams come true. They all had a goal which they worked hard to attain. The new inductees have achieved prominence in their respective fields of endeavor, or have made significant accomplishments in other areas of human interest.

One new inductee, Vincent F. Follert, Jr. could not attend the Commencement Exercises due to his battle with cancer.



Thomas Downar is greeted by Mr. Telkes as he accepts his Hall of Fame award.

Joseph Guerrero proudly accepts his "Hall of Fame" award and congratulates the seniors on their graduation.

Dedication 1983 Mr. M. Cukierski

One of the finest examples of an individual dedicated to Gordon Tech is Mr. Cukierski, the dean of the Industrial Education Department. Known affectionately as "Max", Mr. Cukierski is currently celebrating his twentieth anniversary as a member of the GT faculty. At the age of 63, most people would have retirement on their minds. With this educator, it's different. "As long as I can get the job done," he declares, "I'll still stay."

Mr. Cukierski first began teaching at Gordon in 1957. He was already established in the tool-and-die trade at the time, but when his brother, the late Fr. Leo Cukierski, C.R., died suddenly, he responded to the urgent need for someone to take Fr. Leo's place in Gordon's machine shop. He's been there ever since.

This year celebrates a milestone in the teaching career of Mr. Martin Cukierski. Equally important, it celebrates the tremendous gift that "Max" has been to the Gordon Tech community in his persistent labors and overwhelming devotion to his students and their futures.

The Tech-log staff once again has sacrificed many hours of free time and contributed remarkable insight and dedication towards the making of the school record of 1982-1983. This year has been one marked by beginnings and endings; many of those who have worked on the yearbook are now alumni and a new staff has learned the various skills needed.

There are many people, besides the staff, who deserve praise for their help. Mr. Dennis Eder of Jostens American Company for his imput and support, Mr. Norb Dompke and the staff of Root Studios for their photographic skills, and Mrs. Geraldine Boin for the many hours of typing she contributed. I would also like to thank the faculty of Gordon Tech, Father Blaski, "Westside", and many others for their support during the past year.

We hope that this yearbook is informative, interesting, and will bring back memories for many years to come.
